If you think the calendar needs some extra pizzazz, clamp the pages onto a pretty clipboard and hang the clipboard on the wall or put the page inside an attractive, easy-to-open frame (since you will have to change it each month). Instead of letting your wallet take a hit, you can make your own calendars using templates featuring both basic and visually stunning styles. It's a little harder to find planner options you can create and print for free, but it's not impossible. They help you keep track of simple — but critically important — dates, like upcoming birthdays and anniversaries, but if you lead a busy life, their usefulness extends far beyond keeping up with the days of the week. Ultimately, the things that you are grateful for will be the things that you tend to pursue with the most passion. By using positive affirmations to combat limiting beliefs about money, you can develop a mindset concerning money that enables you to leverage the Law of Attraction. They're things like money doesn't grow on trees and is therefore extremely difficult to acquire, or the idea that money can't buy happiness, or the limiting belief that you can't be rich and be a good person at the same time. More ready-to-go printables than actual templates — the calendars aren't customizable at all — the options always look sleek and professional. If you want to attract something such as money, therefore, it's important to visualize it as if you already have it. Identify Your Limiting Beliefs About Money In order to activate the Law of Attraction in your life, you must identify and change your limiting beliefs about money. Visualizing money as if you already have it can also create an abundance mindset, as opposed to a mindset of scarcity. As the beloved originator of the Chicken Soup for the Soul(r) series, he's taught millions of individuals his modernized formulas for success, and has trained and certified over 2,700 students to teach his content and methodology in 107 countries around the world. Everything I touch turns to gold". You can print pages with slots for appointments for every hour of the day as well as pages with lesson plans and daily goals and to-do lists. With that in mind, leveraging the Law of Attraction is one of the most effective ways to change your beliefs about money into a belief system that will open you up to the prosperity that is all around you. Photo Courtesy: TemplateLab.com Professional Assistance If you create a calendar you love but your printer isn't up to the challenge, you can always reach out to an office supply store for professional printing. The Freebie gallery at Cottage Market also has links to printable calendars and daily planners, including an adorable Harry Potter set for fans of the wizarding world. Visualize Your Wealth as if You've Already Achieved it The Law of Attraction dictates that the things you believe inwardly and project outwardly will be the things that you attract into your life. Before you can begin leveraging the Law of Attraction, it's important to first identify and address any limiting beliefs about money that you might have. Free Basic Calendar Templates Despite all the visual appeal of a really cool calendar, sometimes all you need is a simple style you can write notes on and keep in the car or on your desk. They have trouble manifesting money and wealth into their lives, and as a result, never achieve the financial success they desire. However, many people have a poor relationship with money. If you want to create a physical anchor point for your visualizations, try carrying around a hundred dollar bill in your pocket. Once you see money for what it really is - an accessible, unlimited supply of a resource you can use in any way that you desire - it's much easier to form the habits and mindset necessary to acquire wealth. If you merely care about basic functionality and opt for a simple calendar printout to stick in the console of your car, then you don't need anything special for printing. One great way to address any limiting beliefs about money is through the use of positive affirmations. Bright colors simply won't look as vibrant on basic printer paper. Given the opportunity, everyone would love to accumulate more wealth, make more money, and live an abundant life. Microsoft also gives its Office 365 users access to premium templates with stylish, colorful designs that have a polished, professional look. Photo Courtesy: Jasper Cole/Getty Images Calendars serve as an essential tool when you need to stay organized. 3. No matter how much or how little money you are currently earning, an attitude of gratitude is essential if you want to earn more. You can usually find free calendars at local banks, grocery stores and other small businesses (who often use them as promotional tools), but they are typically small with squares that are too tiny to be very helpful for anything besides the most simple tasks. Or, "I am creating all the money I want and need to accomplish everything I want to do in life." Try the affirmation, "I am making positive choices about what to do with my money and enjoying the energy of abundance that it reflects." What you say to yourself becomes what you believe, and what you truly believe becomes reality. This, in and of itself, can serve as a powerful source of motivation that will keep pushing you forward when things get difficult. Throughout our lives, since childhood, we've created limiting beliefs about money that we've internalized over time and accepted to be true." You've heard these limiting beliefs before. Photo Courtesy: Sydney Bourne/Cultura/Getty Images Case in point: If you create an elaborate, colorful design that is worthy of prime positioning on your wall, then you might want to think twice about dulling it down with a plain paper print job. The options range from creative abstract designs to colorful florals and classic plaids. If you're crafty and creative, use a hole-punch to make two holes at the top of each page and then thread ribbon or raffia through the holes, tie the ends in back and hang it on the wall. This extremely no-muss/no-fuss website allows you to easily print plain monthly calendars, but it does offer a big perk to balance the boring look. For example, if you realize that you view money as something that is scarce and difficult to acquire, you could use a positive affirmation such as, "I'm a money magnet. The coloring page style is also a popular recurring choice that makes a great calendar for tracking kids' activities. Get the Free Guide For over 40 years, he has been teaching entrepreneurs, educators, corporate leaders, and people from all walks of life how to create the life they desire. You will have to sign in to your Microsoft account to access the premium options. If you plan to write on the calendar, opt for a bright white, premium quality paper that is right below photo quality. Simply doing this can make you feel wealthier and prevent you from ever being able to say that you are broke - and thus prevent the limiting mindsets that go along with being broke. The only real limit for usage is your imagination. Be thankful for every opportunity you get to make more money, and be thankful when those opportunities pay off. How much you will have to pay will depend on the options you choose. As you go about adopting a beneficial mindset regarding money that enables you to leverage the Law of Attraction, and don't forget about the importance of gratitude. The exact designs may change each year, although you can always count on at least one eco-themed design in the collection. But first, you must take some steps to really see it work to change your life. Photo Courtesy: Microsoft.com You can't go wrong with the selection of basic, free and easy-to-use templates available on the Microsoft website. The Universe Will Provide You With More Finally, remember that the Universe will provide you with more of what you're grateful for. Photo Courtesy: Alistair Berg/DigitalVision/Getty Images Using Your Printable Calendar Once you've selected the calendar style you want, it's time to think about how to print and display it. Be thankful for the money that you have. 2. Additionally, if you decide you want to keep all your daily planner pages instead of throwing them away as you use them, you can take your pages in for basic binding at a nominal cost. The truth is that financial success starts in the mind and the number one thing holding many people back is their belief system concerning wealth and money. Most of the styles exclude specific date information to ensure the templates are never outdated. Free Daily Planner Templates If your life is far too chaotic and busy, you may need the more extensive capabilities of a daily planner instead of a wall calendar template. If it will merely be a pretty wall calendar, you can really make it shine by printing on high-gloss paper or photo paper. It's usually easy to find sites with good templates for basic calendars. Fortunately, you can find plenty of useful and attractive calendar templates online in numerous styles to help with organizing a range of activities. Never underestimate the power of gratitude. Visualizing a world where you have all of the money that you desire not only creates a mindset that is more receptive to financial gain, it also enables you to imagine what your life will be like once you have reached your goals. In fact, with so many options to choose from, you may decide you want a personalized calendar in every room of your home. This type of abundance mindset comes naturally when you have a lot of money, but it can also be developed by visualizing money as something that you already have in abundance. In the right hands, calendars become elaborate planning tools that help you organize everything from your own daily business meetings to your kids' medical appointments and extracurricular activities. If you want a wall calendar that focuses on large spaces for writing instead of colorful designs, Print-a-Calendar could be the answer. Template Lab features a nice selection of daily planning layouts to fit a variety of tasks. For hanging your calendar on the wall, you can use pretty pushpins or colorful thumbtacks or a reusable mounting putty if you want to avoid making a hole in the wall. The site also has an impressive selection of calendar templates and life planning tools. Other positive affirmations you can use are, "I am releasing any and all negative thoughts and emotions about money, and am happy and free to visualize my dreams". What are your limiting beliefs about money? An inkjet printer — particularly a photo printer — should be up to the challenge of producing high-quality results if you choose the right paper. One of the big reasons why the wealthy have no problem getting richer is that they see the money they don't have as something that is both abundant and acquirable, while at the same time, seeing the money they do have as a tool that can be used to make more money rather than something that has to be protected or saved. Truly being grateful for something also tends to eliminate any limiting beliefs you have, and will make you more receptive to new opportunities. Learn more about the Law of Attraction from this free guide. Styles are available for use in Word, Excel and PowerPoint. You can type your schedule (if you already know it) right into the daily boxes on the website before printing, eliminating the need to worry about your handwriting size. MORE FROM QUESTIONSANSWERED.NET Any standard inkjet printer can produce exactly what you need on plain white copy paper. If you choose a style to keep on your desk, you may also be happy with a standard printout on plain white paper, but fancy styles may deserve some fancy printing. Creative and Colorful Calendar Printables Any store with office and school supplies is sure to have an ample selection of gorgeous wall calendars and book-style planners, but the price tags on these items can be ridiculously high. 1.
